R. BYRON "GRONBY" GRIEST

DEDICATION

The 1967 Annual Board takes great pleasure in honoring one of Washington High School's distinguished teachers. During his sixteen years as director of the vocal music department, his skillful teaching combined with his professional leadership has won the respect and admiration of his students and his associates. His concern for perfection has always served as an inspiration for his students to do their very best. His standards of excellence have consistently brought high honors to himself and to his school in choral competition. His annual presentation of Handel's *Messiah*, his operetta productions, and his fine concerts have enriched the cultural life of our community. In all his endeavors he has fostered a love and appreciation of good music. For the generous contributions this talented man has given us, we now dedicate the 1967 *Massillonian* to Mr. R. Byron "Gronby" Griest.

Massillonians traditionally give tremendous support to all McKinley Week festivities.

Spirit serves as a nucleus for academic achievement, athletic excellence, and social activities at W.H.S. It is the underlying drive and the unifying force that urges students to strive to attain higher goals for themselves and for their school . . .

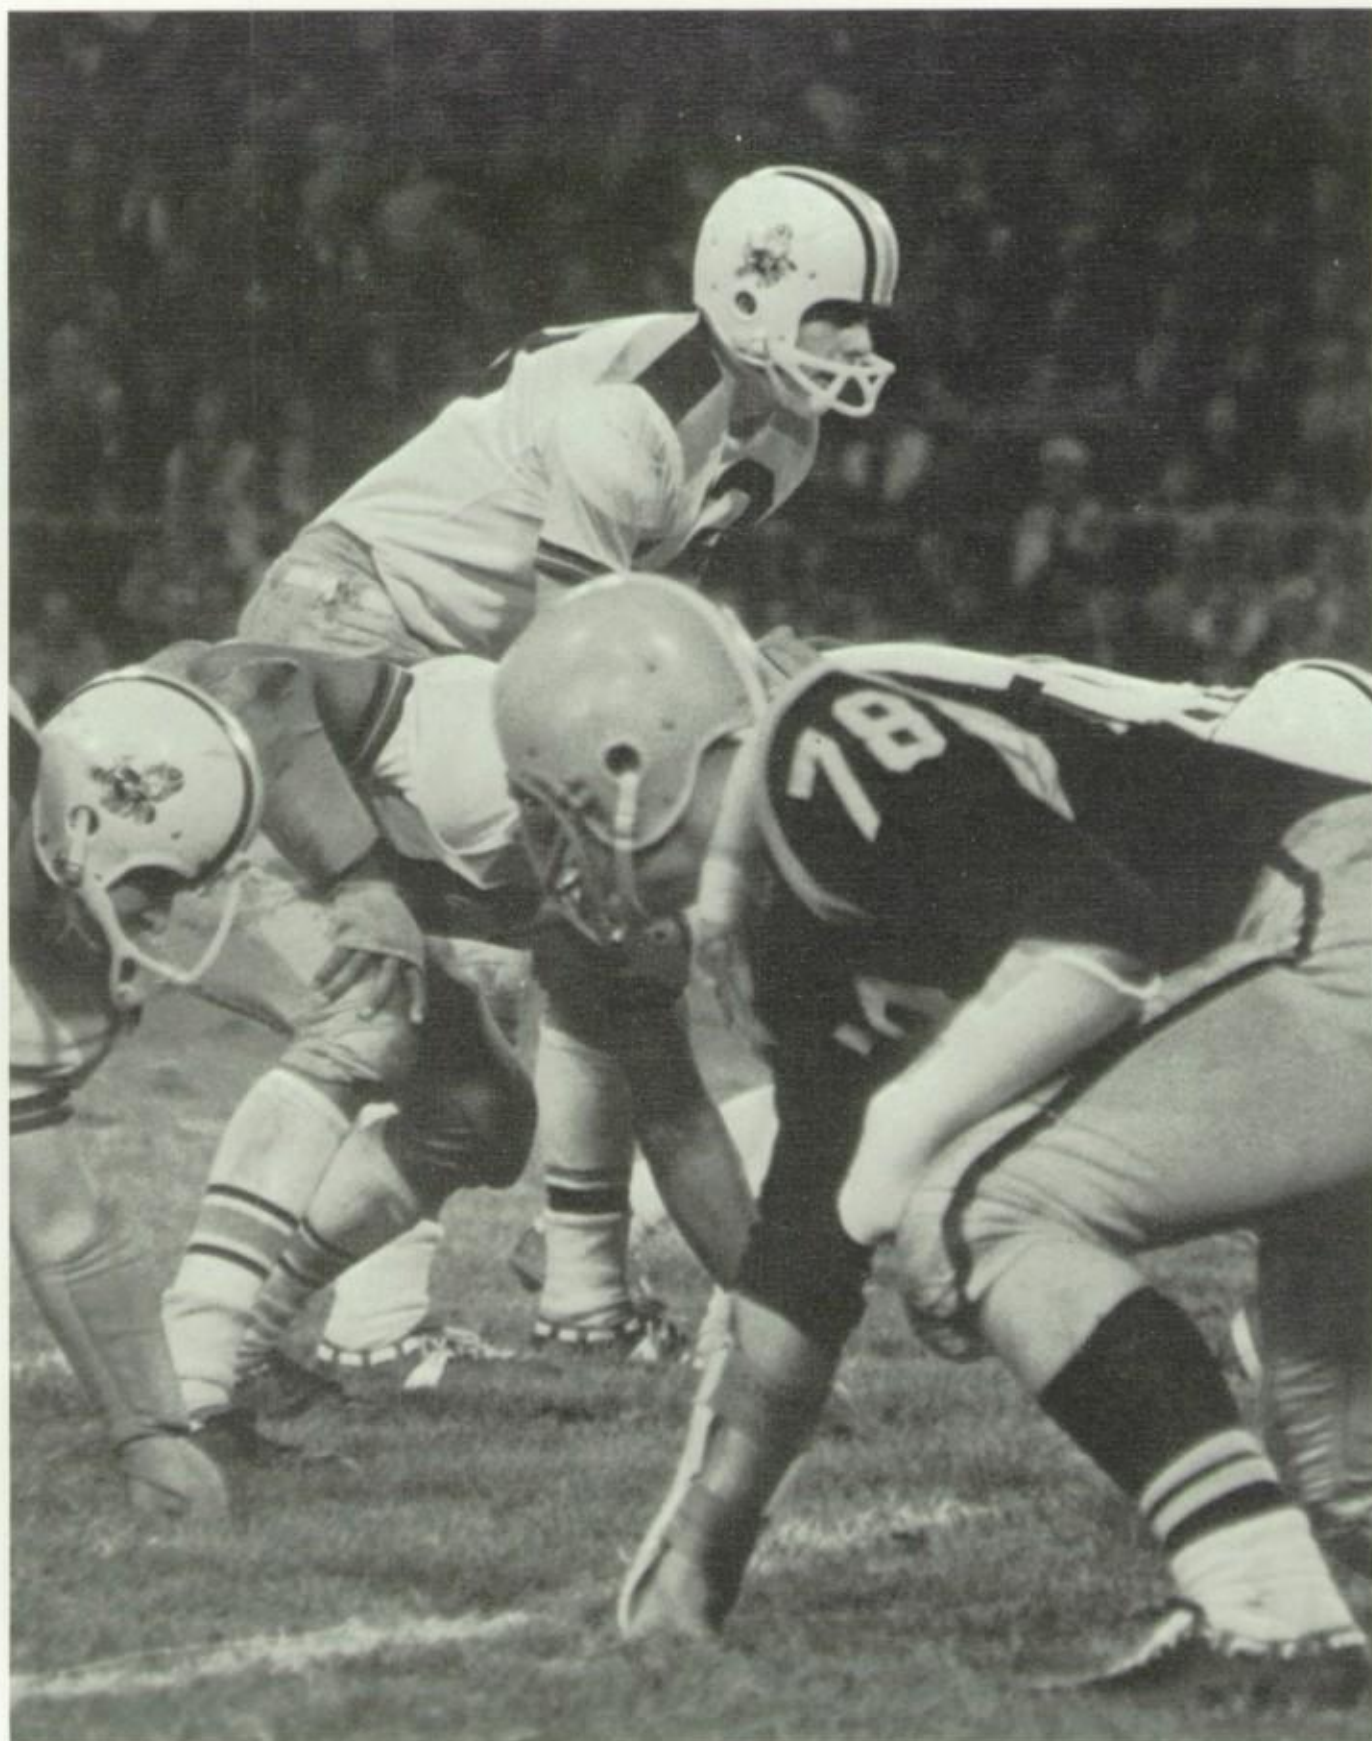

With words of encouragement, Mr. Snyder sparks school spirit and enthusiasm to all at the rally.

Ambitious Attitudes Carry Over to Activities

Extra-curricular activities develop well-rounded personalities. They teach responsibility, demand cooperation, and promote friendship. Activities guide some to be great leaders and many to be good followers . . .

Miss Massillonian Assembly

Radiating happiness, Cheryl Nagel receives her treasured rose from John Wilson.

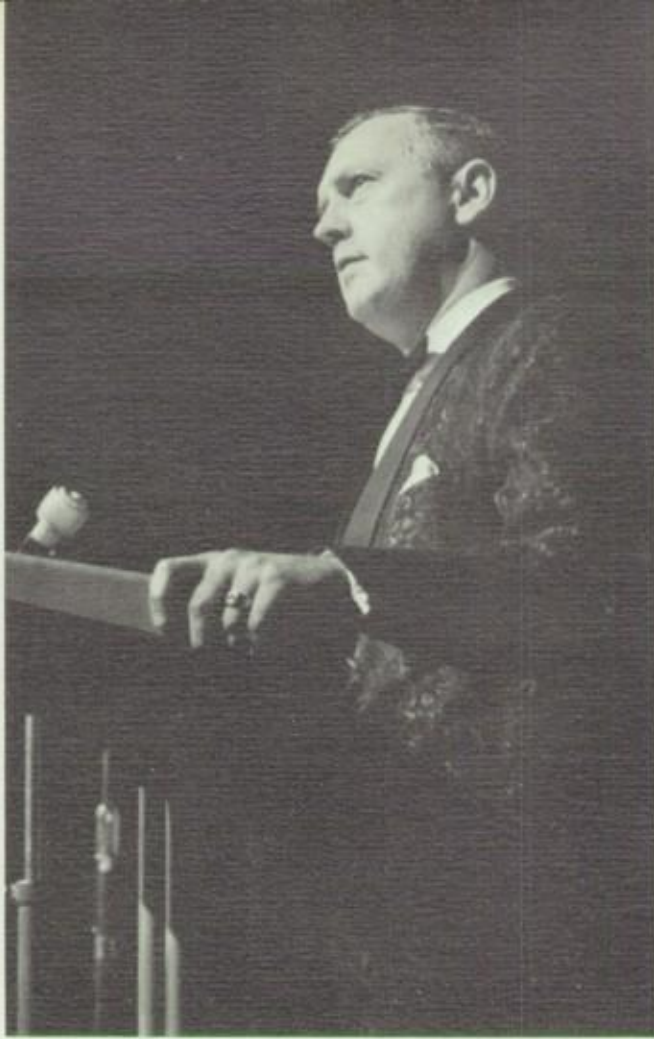

Candidates for Miss Massillonian, the ideal girl of Washington High School, were presented in a program of dignity and beauty during an assembly on January 16, which is recognized as one of the highlights of the school year. The opening event of the program was a vocal duet, performed by two members of the vocal music department, and specially arranged for the occasion. Presiding over this year's chapel was Dr. Robert M. Immel who presented each girl and her escort as the school orchestra, directed by Mr. Orin "Dykae" Ford, provided appropriate background music. The scenery, designed by Mr. Walter Switter and assembled with the assistance of junior and sophomore Annual Board members, depicted a terraced patio scene. Each girl was given an equal opportunity to display her poise and ability to express herself by answering two carefully prepared questions, selected by the girl herself in a random drawing, before a panel of three excellently qualified judges in both A and B assemblies. The students of Washington High School should look upon each of the twelve candidates, selected by popular vote, for both Miss Massillonian and Outstanding Senior Boy as some of the best of the "Class of 1967."

Under the surveillance of the other candidates Becky Knott is being interviewed by Dr. Immel.

Runners-Up For Miss Massillonian

Miss Massillonian must exemplify the students of Washington High School, displaying natural, youthful beauty, poise, a winning personality, intelligence and charm. In order to obtain such a high honor, a girl must maintain a 3.0 or better grade average throughout her high school years. The twelve candidates were first selected by a popular vote of the members of the senior class. The outstanding girl and her four runners-up were chosen by a panel of three judges on the basis of their poise, personality, attractiveness, and ability to express themselves. Each of the twelve candidates for "Miss Massillonian" can be understandably proud of having obtained such a high honor, for doing so is no easy task.

CRAIG MAURER

Outstanding Senior Boy 1967

Runners - Up For Outstanding Senior Boy

The twelve boys selected by a vote of the senior class chosen to represent the Class of 1967 as candidates for Outstanding Senior Boy must typify all boys of Washington High School, yet be outstanding in all facets of school life. He must maintain an academic record of high standing, have an outgoing personality, and be popular among his fellow classmates. The boy chosen as Outstanding Senior Boy was chosen from an eligibility list of eighteen senior boys having a grade average of 3.0 or better. Announced at the first basketball rally, these boys served as escorts to the candidates for Miss Massillonian during the assembly in which the girls were judged.

ACTIVITIES

Through Leaders Ideas Become Reality

The Homecoming festivities, sponsored by the Student Council, are long remembered.

Student Council officers Betsy Mizer (Sec.), Dave Egan (Treas.), Paul Hoffman (Pres.), Susan Gerbeck (Corresponding Sec.), and Paulette Wells (V. P.) provided the key to this year's Council's success.

At Washington High School the Student Council serves as a link between the faculty and students. Through this representative body's approval, disapproval, or suggested revisions for ideas which the administration plans to put into effect, the student body is given an opportunity to voice their opinions on school affairs. Besides serving in this vital capacity the Student Council helps to build leaders, teach responsibility, and promote co-operation and academic advancement. All members of this club must have a 2.0 academic average, and all are elected by their peers.

One of the Council's biggest jobs is promoting Tiger spirit, and this year's club did an excellent job during the annual Beat McKinley Week festivities. Christmas spirit was also enhanced by the Christmas decorations which this group put up in the school. Under the direction of Mrs. Virginia Bryant and Mrs. Relda Belch the Student Council sponsored the Patrons' Reception on December 6 and the Senior Chapel on June 7. One of the highlights of the year was the installation and recognition assembly where new officers and members were introduced to the students. Finally the Student Council, through the American Field Service, brought the Thai exchange student, Sinsup Kotsombut, to Washington High School. Truly the Student Council has done a great deal to make this year at W.H.S. one of the best.

*Noreen,
a very nice
girl who I've
had the pleasure of S.A.F.
working (?) with in S.A.F.
Good luck in all you do.*

Student Council

Sinsup Kotsombut, the exchange student from Thailand, shares his first experience with snow with some of his new friends. Jim Haas, Mike Snyder, Sinsup, Susie Haas, and Dennis Royer.

One of the Student Council's many projects was the supervision of the cloakroom at the basketball games. Greg Manson, Jill Bucher, Craig Maurer, Debby Rigdon, and Ron Muhlbach.

Gay Wilson, Wah Yee, Ruthie Griffin, and Cheryl Nagel were among those who participated in the Student Council skit at the McKinley football rally.

National Honor Society

Seniors with a 3.0 or better academic average or juniors with a 3.5 average or better are all eligible to be selected for the National Honor Society if they have shown outstanding qualities of character, leadership, and service. Qualifying seniors are selected in the first "tap" in January and juniors are selected in the second "tap" later in the year. This year marked several innovations for this select group. Only one group of seniors was chosen instead of the usual two groups, and the first scholarship tea was sponsored in January to honor the members. Mrs. Layton served as faculty advisor and the officers were as follows: Judy Hodges, President; Lucia Sampsel, Vice-President; Helen Smith, Secretary; and Sue Hrivnak, Treasurer.

Quill and Scroll

The Quill and Scroll is an honorary organization which seeks to encourage students to develop their journalistic talents. Members must be juniors or seniors with at least a "B" average and must have shown evidence of outstanding journalistic talent in the production of the *Massillonian* or *Hi-Times*. Officers who served under the advisor, Mrs. Maurer, were Susie Gerbeck, President; Lucia Sampsel, Secretary; and Don Klever, Treasurer.

Officers who helped to make this year's club a success were as follows: Don Klever, President; Doris Oberlin, Vice-President; Ilona Shepler, Secretary; and Paul Jess, Treasurer. Mr. Liebermann served as the faculty advisor.

All advanced Latin students and a select group of Latin II students comprise the Latin Club. This organization provides fellowship for those interested in Latin and the Roman civilization. Future Nurses

The Future Nurses of America is an ideal organization for anyone with an interest in nursing or any other allied health career. The purpose of this club is to provide students with information on nursing and other health careers, to introduce the students to work in a hospital or other health agency, and to carry out service projects pertaining to health. Through films, speakers, and field trips members are able to learn more about their chosen profession.

Junior and Senior members volunteered their services as Candy Strippers at Massillon City Hospital. Other projects this group undertook were assisting the Salvation Army at Christmas, passing out Red Cross campaign packets, and visiting nursing schools. This year Miss Sanders served as the faculty advisor and the officers were as follows: Ruth Tice, President; Gail Shanabrook, Vice-President; Sue Bingle, Secretary; and Jane Davis, Treasurer.

Mary Oliver and Patti Hockenberry gain practical experience in first-aid through their work in the clinic.

By giving members an opportunity to work and serve in classrooms and to work as a service organization, by developing ethical and professional standards, and by presenting opportunities in various areas of the profession, this club hopes to increase the supply of adequate teachers.

Participation Develops Proper Techniques

Clinic

A First Aid or Home Nursing Course are the preferred prerequisites for students who want to work in the clinic, but responsible girls with an interest in a health career are also acceptable. Two junior or senior girls are assigned by Miss Sanders to be in charge of the clinic each period. Their duties include helping students by administering minor medical treatment and taking care of the clinic facilities and equipment.

Student Secretaries

Students Secretaries are junior or senior students who do secretarial work throughout the school. Some of these girls work in the principal's office or attendance office operating the switchboard, filling out make-up slips, or doing typing or duplicating jobs. These students receive one-half credit for their services. Secretarial work in all other departments is performed without credit. The student secretaries are a vital part of the school and do a great deal toward helping the school run more smoothly.

Library Club

Members of Washington High's Library Club, affiliated with the Ohio Student Librarians' Association, spend time each day working in the school library. Their duties include carding, charging and repairing books, keeping shelves in order, and collecting fines. Through their services the library is able to operate more efficiently. Each year most members attend the regional convention of the Ohio Student Librarians' Association, and some are selected to attend the state convention.

Junior and senior students enrolled in vocational trade courses constitute the Vocational-Industrial Club which endeavors to provide opportunities for the development of leadership in civic, social, and industrial activities. At Christmas time the members of this club spent a great deal of time repairing toys, and the students also participated in state V.I.C. programs.

Dazzling Footlights Attract Student Actors

Dianna Dennis receives the final touches of makeup before her performance in "The Mousetrap".

The Struts and Frets Dramatic Club saw this year as one of its most successful seasons. Record breaking crowds packed the auditorium to view the three fine plays which Struts and Frets produced. Under the direction of Mr. Alan Dawson, students performed in "Father of the Bride", "The Mousetrap", and "Alice in Wonderland". The dramatics club also produced the play "A Raisin in the Sun" for district competition.

Members of Struts and Frets need only an interest in the fine and performing arts, and students have the opportunity to become Thespians by earning points toward membership. At the end of the season awards are presented to outstanding performers at the spring banquet.

Speech

Returning as defending State and National Sweepstakes Champions, the Washington High School Speech Team swept through another year of district victories. Under the direction of head speech coach Jan J. Younger, the Tiger Talkers qualified ten speakers for 1967 state competition and vied for maintenance of the coveted State Sweepstakes Crown.

Besides the worthwhile experience gained from weekly competition with area and state schools, Speech offers valuable opportunities for self-expression and service to school and community. Each student learns the importance of what goes into a good speech as well as the art of effective delivery.

Annual Board

The Annual Board, composed of seven seniors, eight juniors, and seven sophomores, spent a busy year producing the 1967 *Massillonian*. Work began last June when members sold advertisements to local merchants and met to plan the book's layout. This work continued through the school year as the staff met every day seventh period in the print shop. Besides producing the yearbook, this group planned and presented the "Miss Massillonian" assembly, one of the most eagerly anticipated events of the year, and sponsored the autograph dance after the annuals were distributed.

Each year new members are chosen for the staff from the junior highs on the basis of scholarship, attendance, citizenship, and the recommendations of teachers. These people then serve for three years. All members are urged to attend the "High School Publications Workshop" at Ohio University during the summer to learn the mechanics of producing a yearbook.

These students not only produce the *Massillonian* but also gain valuable experience in cooperation, responsibility, perseverance, and compatibility.

Hi-Times

The Hi-Times Staff of Washington High School provides for students interested in journalistic writing the opportunity to help in the production and publication of the school newspaper. The student body is informed of news and sports events through regular issues, and special issues serve to brighten up school life. Besides reporting and surveying school events, members of the Hi-Times Staff provide interesting special stories, editorials, and information on colleges and universities. In each issue two members of the senior class are recognized by the Hi-Times as "Who's Who At W.H.S."

To become a member of the staff a student must, first of all, display an interest in journalistic writing. Secondly, he must know and understand the fundamentals of journalism.

This year the staff sponsored the first victory dance in September and an annual banquet in May. At this banquet the duties of the newspaper staff ended, and next year's staff was appointed.

Vocal Music Department

The Vocal Music Department, composed of the Advanced Choir, Sophomore Choir, Girls' Chorus, Boys' Chorus and Washingtonians, is one of the most prominent organizations at Washington High School. Directed by R. Byron Griest, the choir has attained excellence in all facets of participation.

Handel's *Messiah* gives true meaning to the Yuletide season, while the spring brings the annual operetta to lighten gloomy winter spirits.

To compete in district and state contests requires lengthy hours of diligent practice by all the groups of the Vocal Music Department. Performances at various assemblies delight both high school and junior high school audiences. The annual Spring Concert brings to a conclusion a year in which much has been accomplished.

With smiles replacing solemnity, the entire assembly of the *Messiah* relax after the night's performance.

Again this year the combined high school choirs and alumni excelled in their presentation of Handel's *Messiah*. Instead of the usual piano, a harpsichord added a new and different tone to the accompaniment. This work relates the story of the coming of Christ, His life on earth, and His promise of eternal life. Following the two-hour oratorio was a traditional, informal group sing. The *Messiah* is one of the most inspiring and moving events at Washington High School during the Christmas season, and has drawn capacity audiences for each performance.

"Where's Charley?"

1967 Operetta

A musical comedy entitled "Where's Charley?" was presented by the choir to a capacity crowd on March 10 and 11. Taking place in 1892 at Oxford University, England, the story involves two students, Charley Wykeham and Jack Chesney. After inviting their girlfriends, Amy Spettigue and Kitty Verdun, to luncheon, they discover that Charley's aunt, Donna Lucia D'Alvadorez, who was to chaperone the affair will not arrive till a later date. Inevitably this results in Charley's masquerading as his aunt, leading to a series of humorous incidents which end happily. Effective staging, charming costumes, and striking scenery added to the superb performance of the cast in this memorable musical.

Distressed by Charley's disappearance, Jack sings "Where's Charley?" Paul Kulik

Tiger Band Marches Through Busy Season

Long hours of work, lots of patience, and practice, practice, practice culminated in an exciting year of fine half-time shows by the 1967 Tiger Swing Band. This year's edition thrilled the crowds weekly with snappy precision drills, fancy dancing, and special lighting routines.

Under the capable leadership and direction of Mr. Ford, the band not only performed its routine weekly duties, but also marched in numerous special parades and reviews.

No student of W.H.S. will ever forget the thrill at the sight of our band marching proudly down the field to the tune of school songs or forget the spirit aroused by the band's playing of "Tiger Rag" or the Alma Mater. We can all be justifiably proud of our Tiger Swing Band.

Leading the 1967 Tiger Swing Band down the field were eight fancy-steppers: the majorettes. These girls, after long hours of work, delighted the crowd with their twirling, marching, and spotlight dancing. Popular wherever they traveled was the majorettes' specialty number this year, the high-stepping "Watusi Trumpets." Throughout the football season the majorettes displayed high quality showmanship and style.

Led by Mr. Orin (Dyke) Ford the band helped arouse the true Tiger spirit at rallies as well as games.

Sandy Wilhelm follows Mr. Ford closely to obtain the desired effect of enthusiasm during a Tiger rally.

Annual Spring Concert Highlights Season

Symbolizing the patriotism and loyalty felt by each W.H.S. student, the band performed the "Green Berets" before responsive and very receptive crowds.

Concert Band

Football season may have ended in November, but the beat of the W.H.S. Band went right on into the spring. Every day the band members spent seventh period practicing to perfection various musical pieces to be used in the annual Spring Concert. This event is always one of the finest planned and performed highlights of the school year. Mr. Ford, with assistant director Mr. John Wheeler and student director Ruth Tice, collaborated on a fine and diverse program enjoyable to all. The Concert Band also performed variances of their concert at assemblies at the three junior high schools. These activities helped make 1967 a successful, fruitful year for the Washington High School Concert Band.

Mr. Ford aids and encourages these beginning students to improve their musical techniques. The Cadet Band is a training ground for full-fledged membership in the Concert Band or the Tiger Swing Band after a year's experience with this organization.

Enriched by their three memorable years as Tiger Bandsmen, seniors Barb Hoffner and Chuck Caton look forward to a bright and happy future.

Tigers show spirit in the huddle before a big game.

The Massillon Tigers completed their 1966 football season with a 4-5-1 record. This past season, regardless of winning or losing, our Tigers never lost the desire to overcome the adversity of previous games. After having two consecutive state championships this was somewhat of a let down year, but the Tigers gave their new football mentor, Head Coach Robert Seaman, their best all the way.

Spirit and dedication were never higher than this year. The teamwork and the football tradition in Massillon helped the Bengals to pull some impressive victories. The student body's support was very much in evidence all during the season as they loyally followed the Tigers to each game at home as well as away.

Victory was sweet when Massillon dumped Steubenville the number one rated team in the state 12-0. The season closed with the Canton McKinley game and all true Tigers saying, "Wait Until Next Year." Come fall, 1967, the mighty Bengals hope to regain their status as the state of Ohio's number one ranked football team. "LOVE THOSE TIGERS!"

McKinley Week is highlighted by the parade.

Spirit is an integral part of Washington High School. The entire student body loyally supports the Tigers as they represent the school at athletic contests. The cheerleaders appropriately are the most enthusiastic of all.

Both reserve and varsity cheerleaders practiced long and strenuously during the summer and after school. Besides this, they made signs to boost spirit and planned skits to enliven rallies. With the guidance of Mrs. Nolan and the cooperation of the students, the cheerleaders evoked and unified the 1966-1967 Tiger spirit.

During a basketball rally, Coach Vrotsos pensively talks about the upcoming game.

The Massillon Tiger Cagers, having had a definite height advantage, romped to a 10-8 season. The starting line-up of the Tigers formed the nucleus of the team, and was reinforced by several boys who helped Massillon come through successfully. The top players were Jim Krenzer; Brian Westover; Will Foster, captain; Mike Sherrett; and Howard Grizzard. Two of the five starters, sophomore Brian Westover and junior Howard Grizzard, will return for the '67-'68 season.

Almost all of Massillon's games this year proved to be exciting threats to our opposing teams. On January 20, the Tigers upset the number four rated team, Cuyahoga Falls, 81-61. Only a week later the Cagers again pulled another major upset victory over Canton Lincoln by a five point margin of 65-60. However, Massillon also had its down games such as when the Tigers failed to beat Canton McKinley twice this season.

Starting workouts as soon as the football season ended, the team practiced daily until the end of the season. Head Coach Nick Vrotsos and his assistant Coach Roger Turvy worked with the players during these sessions giving them the coaching they needed to come through with a winning season.

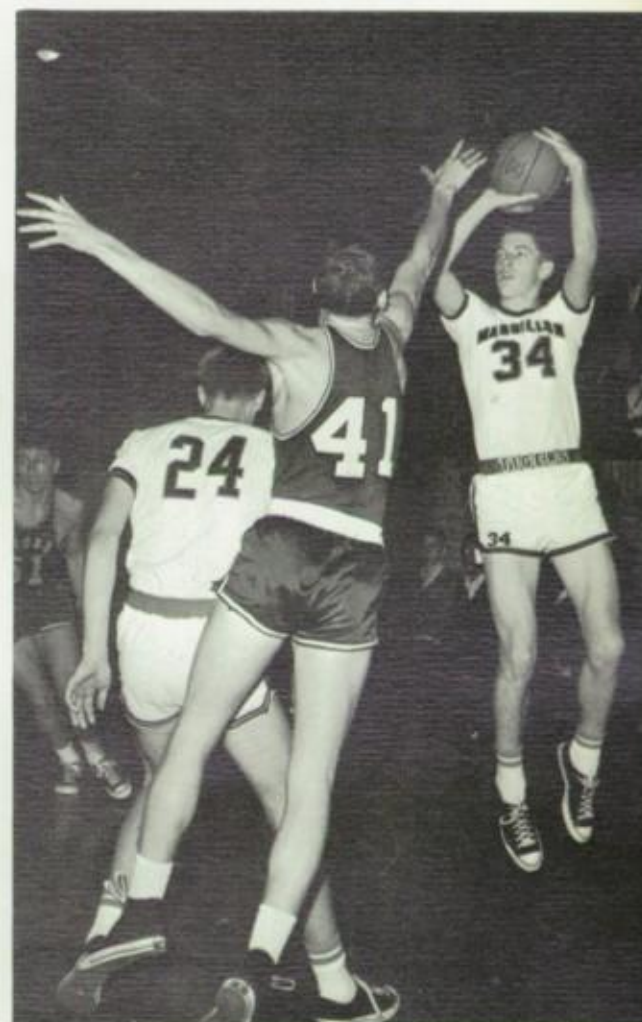

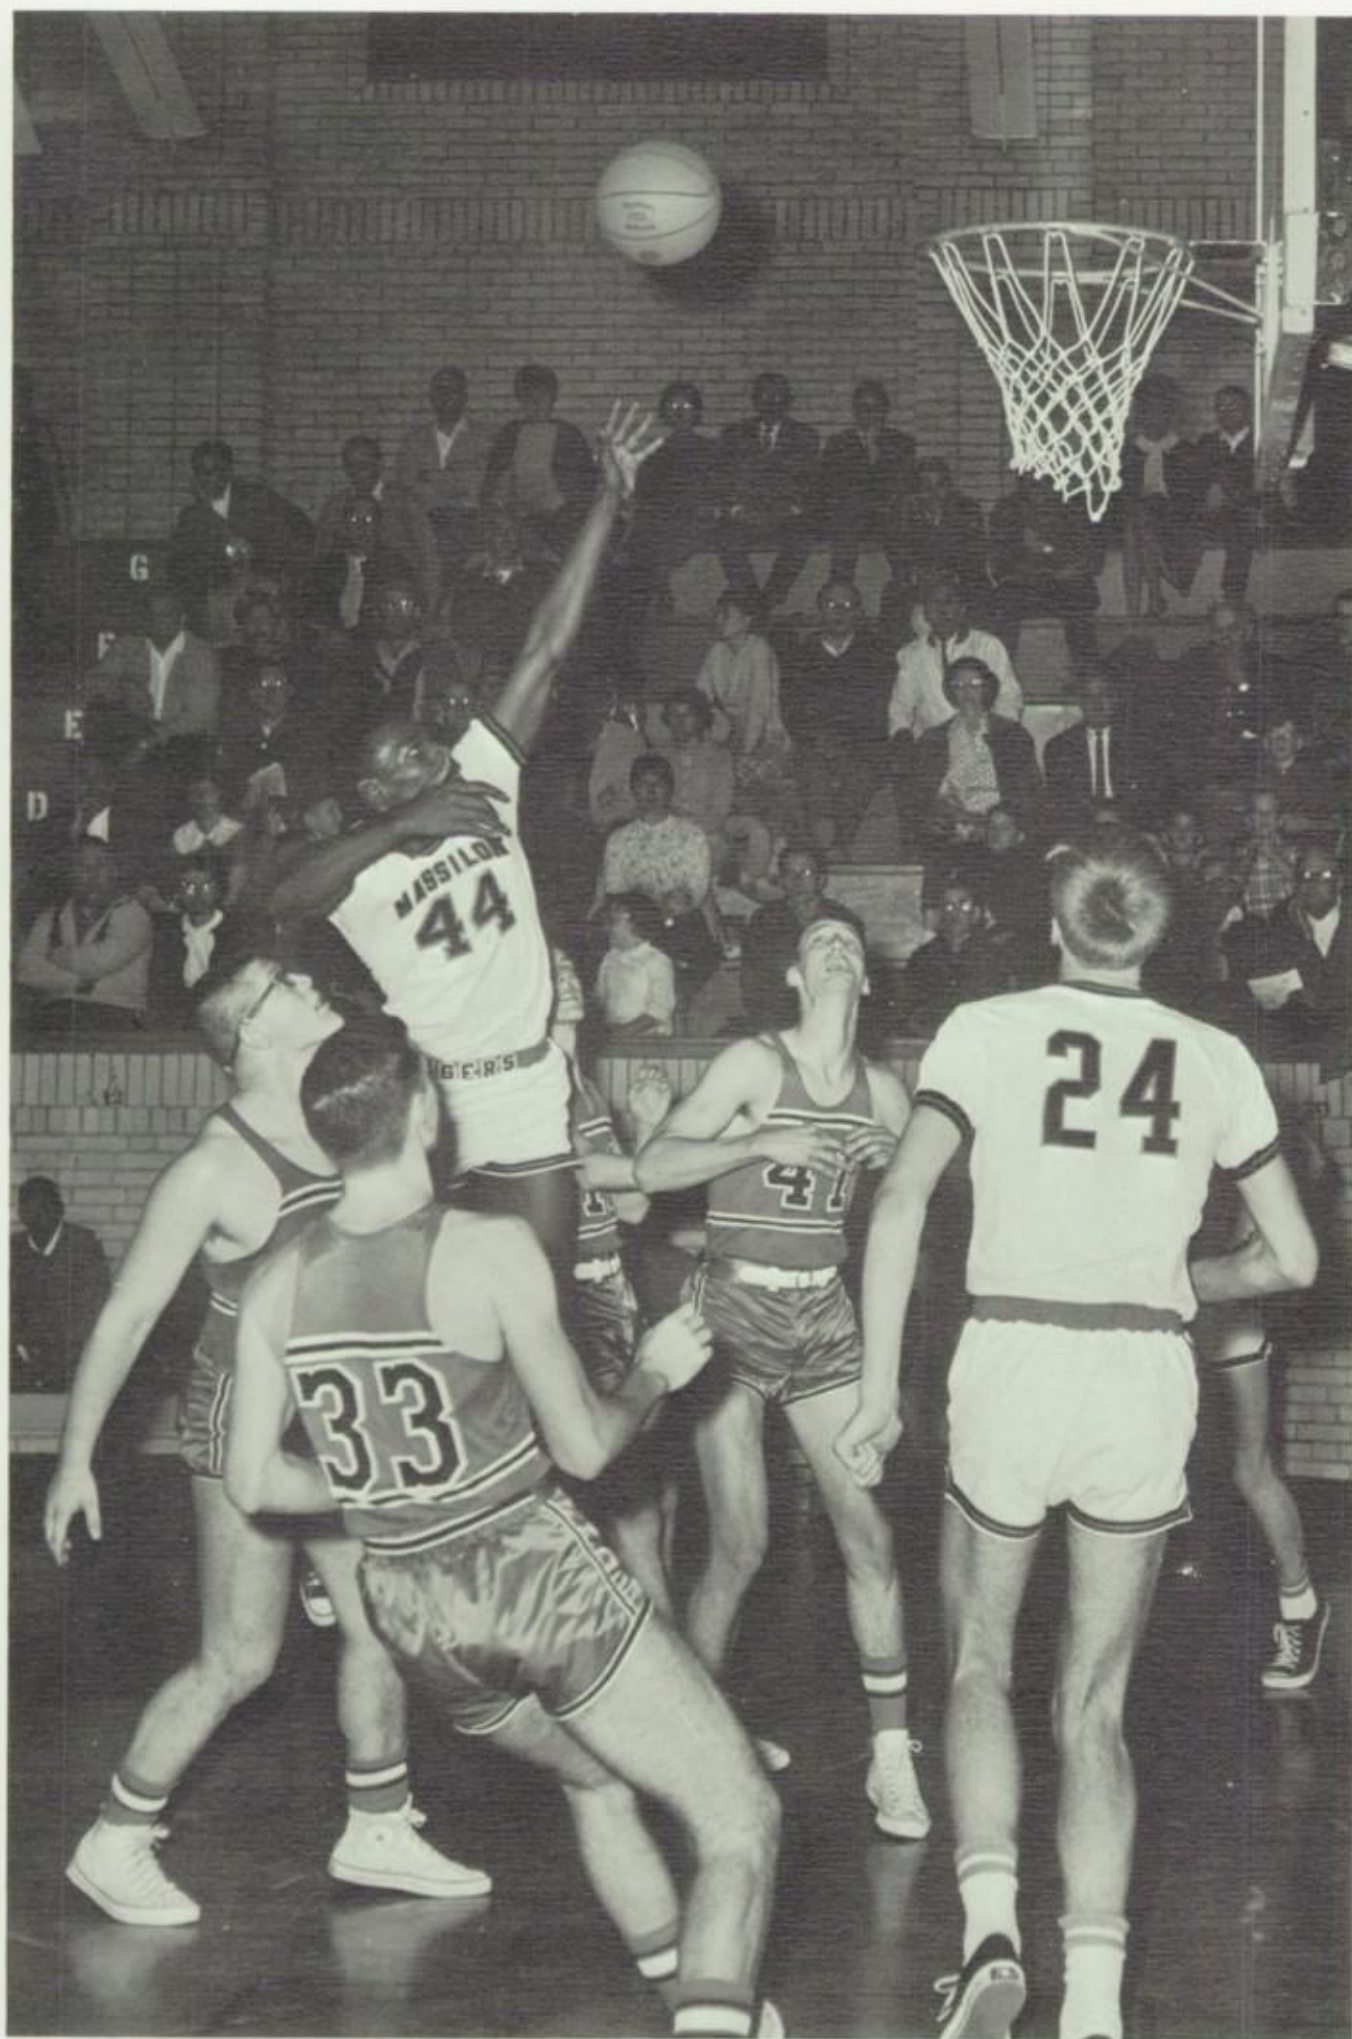

Cheering students help to lead the Cagers to victory.

Coach Inspires Cagers For The Final Test

Statistically speaking, the Massillon Tiger Cagers can attribute their successful 10-8 season to 6'6" senior Mike Sherrett, who hit 47% from the field and 51% from the foul line; Brian Westover, a 6'7" sophomore who had 41% from the field and 78% from the line; and Will Foster, a senior who had 39% from the field and 78% from the foul line. Jim Krenzer, a 6' senior, known as the "Hustler," had 238 points, only second to Will Foster who had 250 points. Jim's average was 34% from the field and a 65% from the line. Howard Grizzard, a junior, had a very good season tapping in 176 points, having 73% from the line and 36% from the field. Other total points are as follows: Westover 232 points, Sherrett 106 points, and Mark Mendelson had 103 points for the 1966-67 season.

Coach Berrodin Plays Double Role

The reserve basketball team opened their season with some interesting scoring patterns. In their first few games they trailed by only two points when the final buzzer sounded. As the season progressed, the cards turned and the Cubs went away with some impressive victories.

Practice was held daily during the season. During that time the reserves had a number of scrimmages which helped them to perfect their game.

This year the Cubs had a new coach, Mr. Robert Berrodin, who is the football team's trainer during the grid season. Coach Berrodin worked faithfully with the team all season to get them ready for the shoes they will fill next year on the varsity squad.

Seniors Mike Sherrett and Will Foster seem to wonder if that ball is ever going to go through the hoop.

Sharks Slate Successful 9-6 Season

Coach Wherry checks his watch during a close event.

The Tiger Sharks finished their 1966-67 swimming season with a 9-6 record. The highlight of the season was the first place rating the Tiger swimmers earned at the Mansfield Malabar Relays with 57 points. This was the first time in the history of the Relays that Massillon has walked away with top honors.

Co-captains of the tankmen this year were Jim Haas and Terry Maxhimer, who exemplified skill, character, and leadership. School records were set by Craig W. Schaeffer in the 50-yard freestyle, Gregg Elefterin in the 200-yard individual medley and the 100-yard backstroke. In the 400-yard freestyle relay Bill Ross, Craig W. Schaeffer, Randy Schuler, and Gregg Elefterin also captured the school record. The Sharks' fine record can be partly attributed to both student and adult support, and to the superior coaching methods of Coaches Robert Wherry and John Behling.

This year the Tiger wrestlers, under the very able direction of Coaches James Tressler, Dale Walterhouse, and Joe Barnard, compiled an outstanding record of seven wins and three losses. Massillon's season also consisted of two tournaments, the Massillon Invitational Tournament and the North Canton Tournament. In both of these endeavors the grapplers took fourth place.

In the sectionals, which were held in the Massillon gym this year, four Tiger wrestlers qualified for district competition. These boys were Richie Mazon, in the 103-pound weight class; Allan King, 112-pound; Jackie Evans, 120-pound; and George Whitfield, 130-pound weight class.

Massillon's only three defeats were suffered to Mansfield, Alliance, and North Canton Hoover. The fine record chalked up by the team can be partly credited to the student support given to the wrestlers during their '66-'67 season.

Diamondmen Give All

This year's baseball squad, coached by Mr. Blaine Morton, hoped to improve their season this year. Some of the returning seniors who provided the necessary leadership as well as athletic ability were Craig Maurer, Kim Hauenstein, Johny Feeney, Mike Feinman, and Allen Neago.

Beginning practice early in March, the team worked dedicatedly and earnestly, hoping to surpass last year's record. The team had a tough schedule to complete before they could compete in the state competition in the middle of May.

About to make an important catch is Al Neago.

Track

Combining speed, agility, and strength, the Obie trackmen put forth a real effort toward having a winning season this year. The number of seniors returning to the oval provided the cindermen with the needed experience to overcome their stiff opposition. The returning lettermen were Tom James, Ron Muhlbach, Tom Houser, and Bob Pierce.

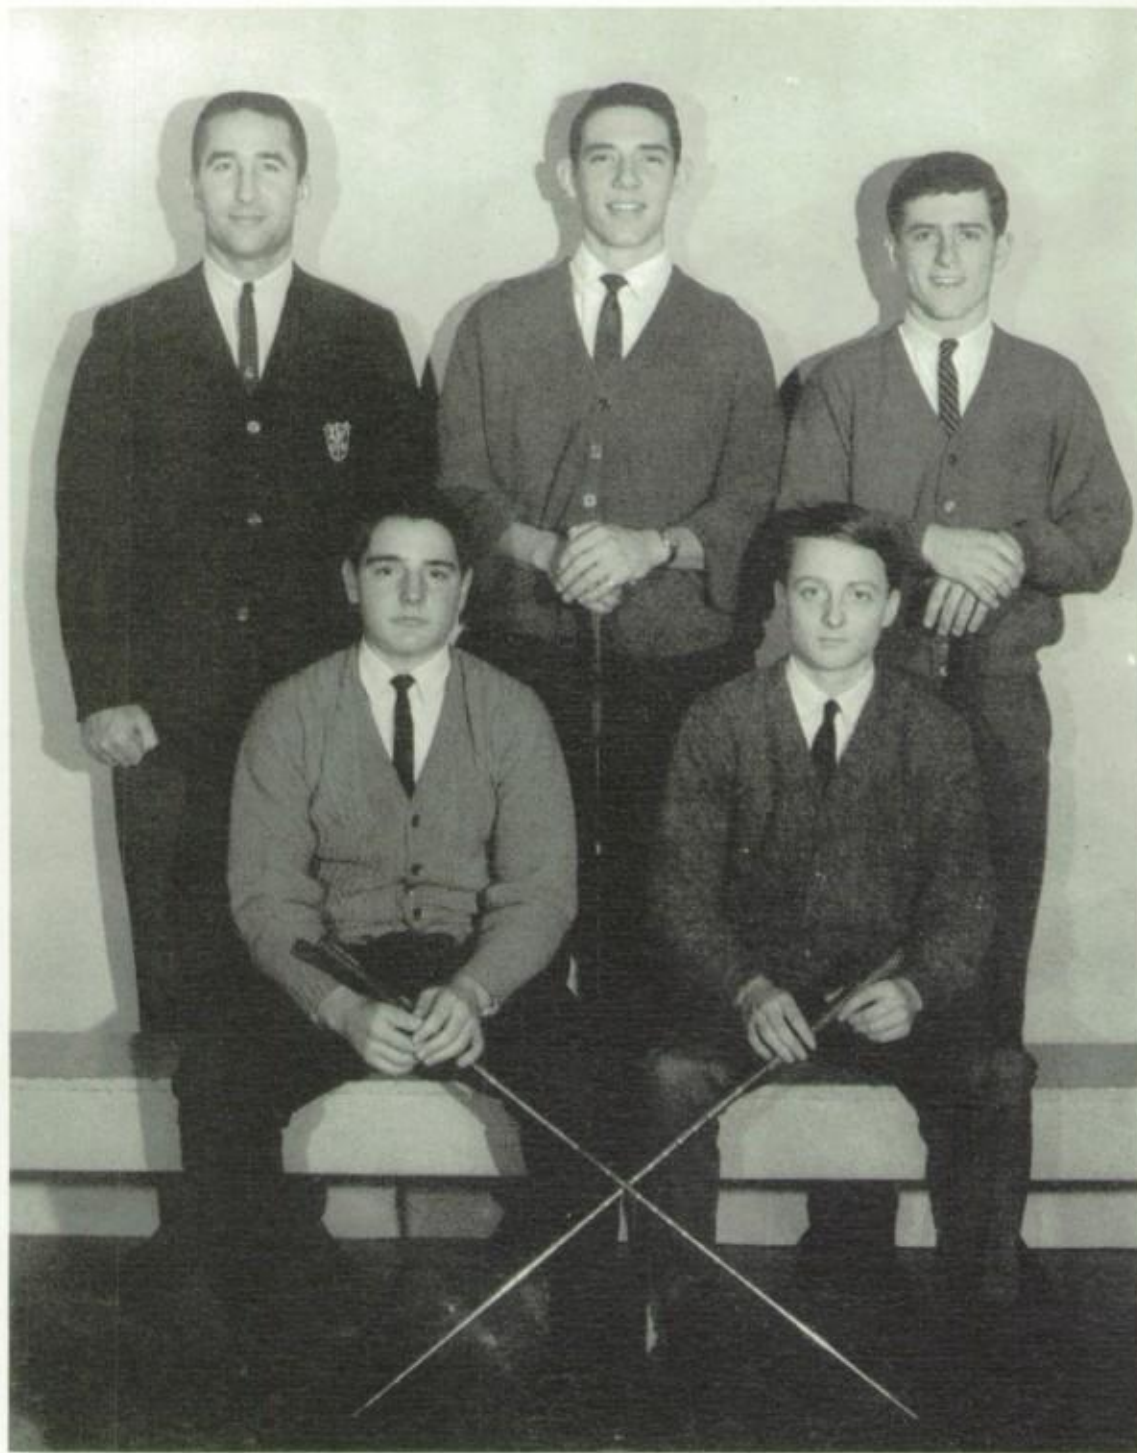

The highlight of this track season was the North Canton Invitational Relays where the Tigers worked to place well.

Coaches Dale Walterhouse, Jim Tressler, and Ed Voshall worked hard with the team to produce well conditioned and skilled athletes.

The combination of Coach Behling's guidance and the returning lettermen's experience made it possible for the Tiger golfers to look forward to another successful season. Last year the Obiemen had 23 wins as compared to 6 losses.

Last year's team carried to this year a number of outstanding golfers. Senior Craig Immel and Jim Krenzer, both two-year lettermen, were at the helm of the team. In 1966 Jim and Craig did a tremendous job, playing varsity the entire season. Two more Tiger golfers, Bill Shisler and Ray Bush, averaged in the low forties last year. Both Bill and Ray were a part of the starting "foursome."

Tennis Team Trains to Improve Records

The agile Van Misheff moves about the court in readiness to return his opponent's serve.

After a rebuilding season in 1966, the Tiger netters were prepared to face the stiff opposition their schedule offered in 1967. Beginning practice early in March, Coach Roger Turvy's team was in the best of shape to maintain its previous records.

Seniors Van Misheff, Terry Fahrni, Tim Miller, Dave Hodak, Bob Rauber, and Ross Kieffer returned to represent Washington High School on the courts, adding the necessary experience to the tennis team.

Coach Roger Turvy started his second season with the team hoping to give its opposition a real struggle.

I. W. SNYDER-Principal

The faculty and students of Washington High School regret the retirement of our dedicated principal, Mr. I. W. Snyder. For fifteen and a half years he has inspired us to strive for excellence in all our endeavors. His chief concern has always been to improve and extend the educational opportunities offered the students of our school. We are grateful for his wise leadership and we thank him for all the help he has given us. Though we shall miss Mr. Snyder very much, we cannot ask him to postpone his retirement. After forty-two years of devoted service to education he has indeed earned all the benefits of an active retirement. To him we extend our best wishes and a promise that we shall retain the championship standards of Washington High School.

Guidance Blueprints the Future

The guidance department provides invaluable services which touch the lives of every student in Washington High School. Whether it is employment or further education the counselor's directions help pupils to plan futures which best suit their individual aptitudes and abilities.

These understanding counselors advise students on personal problems as well as those of a scholastic nature. The individual is always considered of primary importance and, consequently, each student is better able to make a more effective adjustment to the environment in which he lives. The field of guidance demands competence and insight. We of Washington High School are fortunate to have counselors that meet these standards of excellence.

Enthusiasm Engenders Educational Excellence

The Washington High School faculty unfailingly devotes itself to the students. While some teachers have been at our high school for many years and other faces are new this year, the quality of their pedagogy is always impeccable. Each teacher devotes his time to the preparation of a better generation.

And each student contributes his time and abilities while working in scholastic and extra-curricular areas of learning. Both student and teacher partake in experiments, observations, discussions, and underlying principles of knowledge. The individual becomes not only skilled but educated in all areas pertaining to modern life. Therefore, every educator must realize the difference between the educated and the skilled — an educated man has gained wisdom. Of course an understanding of people and a knowledge of one's field is a requisite of all faculty members, but the educators of Massillon offer more to their students. They offer spirit and incentive.

Showing deep concern for the future of his students, Mr. Strecker explores both natural and physical sciences in biology.

If people are to have achievements in the world today, they must strive to learn, to know, and to understand all that they can. In essence, man must find himself — why he exists and what he must do. Therefore, he turns to study with the hope of answering these questions and myriad others.

But the student must realize that the proper environment is imperative in education. To be successful in study, a pupil must create an atmosphere of enthusiasm. A person does not become wiser in understanding problems or gaining accuracy until he has applied his mind to difficult tasks.

Fortunately, living in an age of vital experimentation, students find themselves surrounded by the encouragement of the present as well as the challenge of the future.

Instruction Arouses Academic Achievement

Although few people recognize it, a teacher's work is never done. Many hours of planning and hard work are behind the task of instilling enthusiasm in students. Before school begins the faculty arrives to arrange classroom displays, order movies that enhance their subjects, and search for enjoyable and informative reading material. During class hours, teachers devote their time to individual problems as well as to group questions. And after school, it is not uncommon to find conscientious teachers involved in intensive research.

Yet each member of the Washington High School faculty finds time to tease or talk with a student, to cheer at the games, to listen to young opinions. Every teacher finds time to sponsor a club or act as an advisor for some school function. A teacher seems to have an eager willingness to help students and fellow faculty members.

Officers Present Class with Many Projects

Ball games, rallies, dances, exams, graduation, the All-Night Party—thus quickly passed the year for us, the Class of 1967. Once lowly sophomores we had suddenly become seniors faced with the responsibilities befitting upperclassmen. Joining our ranks this year and adding a touch of oriental flavor was American Field Service student Sinsup Kotsombut. In September we started our final year with the wild orange-and-black spirit of football games. Then came the traditional candy sale and letters to soldiers in Viet Nam. The Senior Breakfast at Christmas, the Senior Class Dance in February, and the rollicking Follies in March proved us to be a fun-loving class. All too soon came the Prom followed by strains of "Pomp and Circumstance" as we filed across the platform to receive our diplomas. The year was over. We were no longer seniors. We had graduated.

Juniors Make Decisions with Counseling

As the junior year of the Class of 1968 comes to a close, most juniors are filled with ecstasy and anticipation at the thought of their approaching "seniorhood." However, this year was not one to be passed over lightly. It was filled with new and challenging academic work as well as many memorable social activities such as the Christmas Dance and the chartered buses to away football games. With only one year left in high school, some juniors are encountering emotions which seem strange to them, but they, nevertheless, hold the year 1966-1967 indelibly in their minds.

Sophomore Officers Display Potential

The first year of high school is a time for gaining knowledge, accepting responsibility, and building character. At rallies and sports events, feelings of loyalty, pride and belonging arose and grew in each of us. There were times the work seemed endless and our highest efforts seemed to meet with failure. Yet we continued and slowly each individual developed into a better person. Every new experience added something to profit by and every endeavor brought us closer to our lifetime goals.

An idea can go through anything

Here's a close-up of our new \$5,000,000 facility called Timken Research.

We expect great ideas to come out of this building.

It's located outside Canton, Ohio, about ten miles from our headquarters and main plant.

Timken Research is one of the largest research and development centers in the bearing industry. Here we match up tough problems and inquisitive people. Problems we'll have forever. But how about people?

Who'll be pushing pencils through tomorrow? Maybe you . . . if you stay in school, if you stick to your studies. Career opportunities in research, in engineering, in whatever, are open to those who work. And closed to those who won't.

Remember that unemployment among dropouts is twice that of the general population. And dropouts stay unemployed longer.

Stay in school. Give yourself a chance to get your ideas through. The Timken Roller Bearing Company, Canton, Ohio.

BLISS PUTS IDEAS ON THE MOVE

New and better ways of doing things are an important aspect of the E. W. Bliss Company's contribution to modern living. For example, the new ARROW System for airport ground traffic control just introduced by our Bliss-Eagle Division will speed the movement of aircraft between runway and terminal by an easy-to-operate arrangement of visual signals.

Other Bliss products and systems range from tiny electrical relays to giant rolling mills and automotive presses.

In between? Products and processes from traffic control to fire protection. Hundreds of products serving thousands of industries.

If you would like to know more about Bliss, write for a copy of our 1965 Annual Report. It will tell you what we are doing today...and how we are already planning and building for tomorrow.

The Pursuit of Excellence

A leading business firm uses as its trade mark an illustration of a hand reaching for the stars. They explain that you don't always get a star by reaching for one; on the other hand, you don't wind up with a handful of mud.

There's a lot to be said for doing the best you possibly can all the time. If you don't, you may never find out how good you are.

ACKNOWLEDGMENTS

We would like to express our appreciation to the many people who have helped us to produce the **1967 Massillonian**. Their wonderful encouragement has added immensely to the special pride we experience with the completion of another yearbook.

We sincerely thank the administration, faculty, and students for their tremendous cooperation and the many special favors they have granted us. Our gratitude is particularly extended to Mr. Himes, our advisor, for his untiring efforts and devotion to the staff.

We are especially grateful to the merchants, professional people, and senior parents without whose generous financial support the production of the **1967 Massillonian** would not have been possible.

We are indebted to The Evening Independent, Radio Station WTIG, the Washington High School Hi-Times, and Mr. Ronald Stockwell for their excellent news and photographic coverage. The Consolidated Graphic Arts Corporation, the Troup & Pluto Studio, and the Massillon Camera Shop also merit our appreciation for all the time and consideration they have given us.

We wish to recognize five students from Ohio University who have provided us with many excellent pictures. These young men are Richard Gotschall, James Roseman, Dennis Houmar, Douglas Wyse, and Michael Huffman. Furthermore, the student secretaries, Judy Renas, Linda Ohlman, Walli Selig, Karrie Mathie, and Cheryl Howald, must not be overlooked for they have given much assistance toward the production of this yearbook.

It is with great pleasure and appreciation that we present the **1967 Massillonian** to the school and community of Massillon.

I. W. Snyder

Farewell Seniors,

In a few days you will be classified as young adults with a high school diploma. Probably your graduation will be the first important step toward a life of service in some vocation of your own choosing. If you wish to be happy and successful, continue to learn daily and work diligently. If you wish others to love and trust you, love and trust them first. Place your confidence in God, and your associates will feel they can place theirs in you. Washington High is a better school today because of your accomplishments and influence. I trust that I may see all of you at your first reunion. Best wishes, Seniors, as you face the unknown future.

Sincerely yours,

I. W. Snyder
